

Boarding & Grooming Information

Vaccination Requirements

ALL pets must be completely vaccinated, including booster vaccines , 2 (two) weeks prior to the date of boarding check-in or grooming. No exceptions made. We do not board puppies or kittens until they are fully vaccinated and meet the necessary vaccination/testing requirements.

New Guests & Clients: Boarding reservations will NOT be made until we have a complete vaccination record of your pet(s). Once received, a reservation will then be created.

Returning Guests & Clients: Reservations can be made as long as we have updated records of your pet and they are current on the required vaccinations/tests. If your pet is less than 1 month overdue on any of the requirements, we will examine and vaccinate your pet during their stay at an additional cost. However, we HIGHLY recommend your pet receive their wellness care and vaccines prior to their reservation. If your pet is more than 1 month overdue, your pet must be vaccinated prior the boarding reservation being created.

Vaccine Policy

FeLV must be updated every year for outdoor cats, every 2 (two) years for strictly indoor cats.

Dogs must be vaccinated against H3N8 and H3N2 influenza strains. If your pet is not a current patient with us, we will administer the vaccine if your veterinarian provides a written prescription. This nullifies our hospital's legal obligation to perform a physical exam prior to any medical services. The first vaccine must be given 2 weeks PRIOR to date of boarding check-in. The second vaccine will be given 2 weeks after the first.

Fecal Testing & Parasite Policy

All boarding guests are expected to be flea, tick, and intestinal parasite free. Proof of a negative fecal test (performed in past 12 months) is due at the time of reservation check-in for canine guests. This can be completed during your pet's stay for an additional charge.

CANINE VACCINE REQUIREMENTS

- Rabies (1 or 3 year acceptable)
- Distemper/DAPP/DHPP (1 or 3 year acceptable)
- Bordetella
- Canine Influenza (H3N8 & H3N2) (Not required for grooming)
- Fecal Test (Not required for grooming)
- *Leptospirosis recommend, but not required

FELINE VACCINE REQUIREMENTS

- Rabies
- FVRCP/RCP (1 or 3 year acceptable)
- FeLV (Not required for grooming)
- FeLV/FIV Test (Not required for grooming)

Medication Administration & Medical Boarding

One (1) medication administration per day is included in the boarding suite fee. Two (2) or more medications, as well as injections, are subject to an additional fee **(\$8.00 per day)**. Medication **MUST BE** in the original packaging/prescription bottle. Guests that require special medical care, will be boarded under supervision of licensed veterinary technicians (medical boarding) at an additional cost.

Pet Belongings

We do not accept any bedding or large toys brought from home. We make every effort to ensure your pet's belongings are returned in the same condition as they were received at check-in. However, no guarantee can be made.

Multiple Pets & Shared Suites

We also make every effort to accommodate owners' requests for shared suites. However, in the event that staff members feel it is no longer safe for guests to share a suite, the guests will be separated. The owner is responsible for any additional charges that may occur.

Illness or Injury

Every effort possible is made to ensure our boarding guests have a comfortable and safe stay. However, Seneca Animal Hospital will not be held responsible or liable for any illnesses or injuries that may occur.

Scheduled Check-In Times & Sunday After-Hour Check-Out

When your pet's boarding reservation is made, a check-in time for you and your pet will also be scheduled. Check-outs do not require a scheduled time.

Regular check-out is before 1pm to prevent additional charges.
